

UGLY

Imelza

Ugly on the outside,
Ugly on the inside,
Ugly as the day that you were born.
Ears like you're a donkey,
Face so very wonky,
Nose that gets mistaken for a horn.

Bellona

Creepy like a spider,
Make up will not hide yer,
Spotty like the craters on the moon.
Dressed up like a nitwit,
Smelly sweaty armpits,
Hair all over like you're a baboon.

Both

Sister, sister,
Sometimes you get mistaken for a mister.
Sister, sister,
You're one in twenty million, yes you are.

Imelza

Sinister and eerie,
Tedious and dreary,
Everybody thinks that you're a bore.
Conversation killer,
Lively as a pillar,
Halitosis like a dinosaur.

Bellona

Friendly as a vampire,
Fragrance of a camp fire,
Skin the texture of a crocodile.
Laugh of a hyena,
Never gonna see ya
Dressed in white and walking down the aisle.

Both

Sister, sister,
Sometimes you get mistaken for a mister.
Sister, sister,
You're one in twenty million, yes you are.
Sister, sister
Oh you're about as wanted as a blister.
Sister, sister,
You're one in twenty million, yes you are.
