A Soaring Musical Adventure

Tiger Lily, the warrior, enters. She looks around cautiously, then knocks on the door of the Wendy House. Wendy calls from within.

Wendy Who is it?

Tiger Lily My name Tiger Lily. I come in peace.

Wendy Oh well that's good to hear. If you had come in war then there's no way I would have let you in. But how do I know you mean it? I'm not sure if I can trust you.

Tiger Lily Here, I put down ... um ... my bow.

Tiger Lily removes her bow and arrows and places them on the ground in front of the house. She then backs away a bit. Wendy steps out of the house.

Wendy Gosh, I do love your dress. Is it Selfridges?

Tiger Lily No, it be tiger.

Wendy Oh, I'm not sure they have that shop in London, but then I have been away for a while.

Tiger Lily I wish you talk with Peter Pan. He in danger.

Wendy In danger! What sort of danger? Not serious danger I hope.

Tiger Lily Yes, Captain Hook set trap. I hear. He kidnap you.

Wendy Kidnap! But that's the worst kind of nap there is, far worse than a cat nap. Even a gingersnap would be better, and I don't like them at all. But why would Hook want to kidnap me?

Tiger Lily To capture Peter. Peter Hook emeny (*misprounced*).

Wendy Oh my goodness, then I must be on the lookout for it, I must be on guard the whole time, I must warn Peter right away.

Tiger Lily Let go.

Wendy I'm not holding onto you.

Tiger Lily No. Let go see Peter.

Wendy Oh, yes, good idea, let's.
