

The Jungle Book

LEADER OF THE PACK

I've learned to swim the rivers,
To climb the highest trees.
Nobody else can swing like me.
I know the rotten branches,
And all the stinging bees,
Know when to run and when to freeze.

And I know that I was born a little diff'rent,
And the difference is clear for all to see.

I'll be the leader of the pack,
I'll be the leader of the tribe.
I've clearly got the knack,
I barely even have to try.
So follow in my tracks,
You'll be on the winning side.
The jungle's never seen someone like me,
So join me for the ride.

I've learned to tame the fire,
To see the traps of men,
Beat anybody in a stare.
I know the hunting verses,
Which plants to eat or leave,
How to get honey for a bear.

And I know that I was born a little diff'rent,
And the difference is clear for all to see.

I'll be the leader of the pack,
I'll be the leader of the tribe.
I've clearly got the knack,
I barely even have to try.
So follow in my tracks,
You'll be on the winning side.
The jungle's never seen someone like me,
So join me for the ride.

Leader of the pack.
Leader of the pack.
Leader of the pack.
Leader of the pack.
